

SPECIAL EMERGENCY INFORMATION FOR PARENTS OF BUS RIDERS

In the event that The Waldorf School of Philadelphia closes early due to inclement weather, we will follow your instructions for dismissing your child. To help us keep our telephone lines open during an early closing, we ask your cooperation in providing us with emergency instructions. When a weather system hits that might impact schools, make sure you listen for The Waldorf School's emergency number AND the number for your transporting district.

Please be aware that the school district that transports your child may or may not choose to dismiss early, and that school district will make its own decision about transportation services. We have no control over the bus schedule under these circumstances. For that reason, we appreciate having your instructions in advance. Please review, complete, and return the form on the bottom half of this sheet along with your child's other registration information. Should you have any questions about this request or about transportation services, please contact Brenda Ridley, Administrative Director, at (215) 248-1662, extension 222. Thanks for your cooperation.
